

Lincoln House Chambers Pupillage Open Evening

Thursday 11th January 2024
5-7pm

Lincoln House Chambers is a barristers chambers based in Manchester. For over 45 years Lincoln House has provided advocates of distinction. The set is renowned for its strength in depth, high quality advice, robust advocacy and outstanding client service.

Lincoln House invites prospective pupils to visit Chambers to meet our members and clerks for drinks and nibbles. We will be talking about what pupillage with us involves, what life is like as a junior tenant and what we want to see in your application.

We look forward to meeting you! Unfortunately, we have a limited number of places so please RSVP with your name to bmccoid@lincolnhousechambers.com

Please note, this event is for students in the final year of their undergraduate degree and above, including all GDL students and students on the Bar training courses. The dress code is work wear/suits.
