## PUPILLAGE OPEN EVENING

### THE EVENT

Lincoln House invites prospective pupils to visit Chambers to meet our members and clerks for drinks and nibbles. We will be talking about what pupillage with us involves, what life is like as a junior tenant and what we want to see in your application. We look forward to meeting you!

**Please note**, this event is for students in the final year of their undergraduate degree and above, including all GDL students and students on the Bar training courses.

The dress code is work wear/suits.
